Office of Legislative Counsel

Friday - 8 October 1954

- - - -

Mr. James McTigue, Counsel to the House Committee on Communist Aggression, with Committee consultant Jan Karski acting as interpreter, continued his meeting with the Polish defector Josef Swiatlo to prepare his testimony before the Subcommittee. Counsel has now reached the point where he can put the testimony together and will only need a possible brief additional period with Swiatlo before the hearing on 21 October.
